# *The Freedom Train Network*

## *Media Designed to Free Your Mind*

### *Title Sponsorship Form*

*Dear Future sponsors,*

*The Freedom Train Network is a podcast network designed to highlight black professionals, black entrepreneurs, black activists and advocates and black-owned business throughout the African Diaspora. We use this podcast network to educate, inspire, inform, uplift and equip our listeners with valuable and purposeful information. The podcasts featured on our network serve as audio and visual resources for our local communities, surrounding areas, Black America, and the African Diaspora.*

*The Freedom Train Network was created by Joseph Ward and Patrick Irvine, two gentlemen native to Tallahassee, FL who are dedicated to the betterment of the African Diaspora. Hosted by Joseph Ward and Patrick Irvine, **The Freedom Train Podcast Series** is an interview and discussion-based podcast featuring successful, prominent and influential professionals to our listening audience with the intent of promoting achievement, success and a better African Diaspora.*
